

What is Open Enrollment?

Open Enrollment provides parents of CCSD students with another choice. Schools with available seats in Kindergarten through Grade 12 will be advertised for the purpose of allowing parents/guardians of students who do not reside in the attendance zones to [express interest in enrolling their child\(ren\) there](#). CCSD transportation is not provided for students attending school on Open Enrollment.

In the Spring of each year, a list of all schools with available seats for the coming school year will be posted at <http://itsyourchoice.ccsd.net/open-enrollment/> under the Resources section. As seats are allocated there will be fewer seats than shown.

Only schools that are 3 percent or more below capacity after a seat is held for each zoned student are eligible for Open Enrollment. The number of available seats vary from school to school and for each grade level based on the number of open seats after a thorough review of their building capacity and projected student enrollment.

Parents/Guardians should not apply for Open Enrollment until the notification of acceptance into a CTA/Magnet/Select school has been received. If the student is not accepted into the CTA/Magnet/Select School, Open Enrollment is still an option.

Once the child(ren) enrolls through Open Enrollment, the family is committed to remain at that school for at least one school year. Students selected to attend a school through Open Enrollment may remain at the school through the final grade served at the school. Open Enrollment does not provide for students to be promoted from one level of school to another (e.g. elementary to feeder middle school).

A student who enrolls in an Open Enrollment or Select School is eligible to participate in student athletics. If a student returns to his/her zoned school or makes any other subsequent changes in enrollment, he/she would be ineligible for the remainder of that school year and for 180 school days in any sport in which his/her name appeared on a NIAA (Nevada Interscholastic Activities Association) roster during his/her attendance at the school.

Parents/guardians are strongly encouraged to go to schools' websites and review school growth model data, Accountability Reports and other program information. Search for school contact information and websites by visiting ccsd.net and selecting the Schools Tab.
