SILVERADO HIGH SCHOOL | 1650 SILVER HAWK AVENUE, LAS VEGAS, NV 89123

The CCSD Spring Choice Fair is your opportunity to explore featured schools in the Clark County School District (CCSD) that currently have open seats or unique enrollment options for students. Please note, not all choice schools will be present—the highlighted schools attending have seats currently available and unique enrollment opportunities.

While magnet and open enrollment schools at the event are utilizing late applications, a few have their own specific timelines and processes. Be sure to check the details for each school to understand their requirements.

Keep in mind that entry requirements vary by school, and seats are limited and may fill quickly— **so act fast!**
